TO WHOM SO EVER IT MAY CONCERN

Dear Customer,

Thank you for your interest in Wix Filters. Since its inception in 1939 Wix has maintained a strong relationship with many Original Equipment Manufacturers and developing solutions for their filtration needs.

Sometimes an OEM needs a filter to simply keep the air in the passenger compartment cleaner and other times an OEM needs a filter to solve a complex problem and reduce wear or improve engine performance. Regardless if the problem is simple or complex Wix is there to assist the OEM develop a solution.

Some of the key OEMs Wix provides filters to are:

Caterpillar	Chrysler	Cummins Power Generation	Daimler Truck
Detroit Diesel	Ford	General Motors	Honda Power Equipment
Jaguar	John Deere	Navistar	Nissan
Volkswagen	Volvo		

Along with making filters for OEM production Wix also supplies filters for the OEM's service business.

Thank you for considering Wix for your filtration needs and I look forward to your joining Wix's family of customers.

Best regards,

Limited Warranty

New car and equipment warranties remain in effect when WIX filters are used.

WIX Filtration Products warrants each WIX filter to be free from defects in material and workmanship during the period of service life recommended by the engine or equipment manufacturer. This warranty does not apply if the filter has been improperly installed, abused, damaged, used in competitive racing or on modified high performance engines or if used in any aircraft or aviation application.

If your WIX filter is found to be defective in material or workmanship during the period of service life recommended by the engine or equipment manufacturer, WIX Filtration Products will replace the defective filter with another WIX filter. In addition, WIX Filtration Products will reimburse you for the reasonable costs of the parts and labor required to repair your engine or equipment to the extent the damage was solely attributable to a defect in your WIX filter.

In order to obtain engine or equipment repairs under this warranty, the customer must, within 30 days after discovery of damage, submit a claim to any WIX representative, our WIX distributor, or directly to the address below. The customer must also allow the WIX Technical Service Department to examine the filter and, if required, the engine or equipment, to determine the extent of damage and whether it was caused by a defective WIX filter. The filter must be returned, in its original, undamaged condition, to the WIX Technical Service Department for examination.

This warranty is exclusive of any other warranty, express or implied. WIX FILTRATION PRODUCTS EXPRESSLY DISCLAIMS, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND OF FITNESS FOR A PARTICULAR PURPOSE. The foregoing states WIX Filtration Product's entire and exclusive liability and the buyer's exclusive and sole remedy for any damages or claim made in connection with the sale of a WIX filter. WIX Filtration Products shall in no event be liable for any special, incidental, or consequential damages whatsoever, except those specifically provided for in this warranty.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusion may not apply to you.

This warranty gives you specific legal rights and you may also have other rights, which vary from state to state.
